Journal of Ethnopharmacology 47 (1995) 169–171

Journal of ETHNO-PHARMACOLOGY

Subject index

Volume 47 (1995)

Abortifacient agents; *Jatropha curcas*; Anti-fertility agents; Medicinal plants **47**, 117

Acetaminophen; *Artemisia maritima*; Hepatoprotective; Carbon tetrachloride; Serum glutamate oxaloacetate transaminase; Serum glutamate pyruvate transaminase **47**, 43

α-Adrenergic receptors; *Casimiroa edulis*; Rat aorta; Vasodilation; Vascular endothelium; Histamine receptors **47**, 1

Alpinum-isoflavone; *Millettia thonningii*; *Schistosoma mansoni*; Cercariae; Topical anti-penetrant; Isoflavonoids; Robustic acid **47**, 49

Alternative pathway activation; Water-soluble derivative; Paw oedema **47**, 145

Amazonia; Ese'ejas; Brine shrimp; Wheat rootlet growth inhbition; DNA-binding activity **47**, 159

Anti-fertility agents; *Jatropha curcas*; Medicinal plants; Abortifacient agents **47**, 117

Anti-inflammatory activity; *Hippocratea excelsa* **47**, 85

Antibacterial; *Helichrysum aureonitens*; Medicinal **47**, 109

Antibacterial activity; *Vochysia divergens*; Vochysiaceae; Sericic acid; Betulinic acid; β-Sitosterol **47**, 97

Antihepatotoxic activity; *Ganoderma lucidum*; *Ganoderma formosanum*; *Ganoderma neo-japonicum*; Free radical scavenger activity **47**, 33

Arabia; Traditional healing; Cauterisation; Oman **47**, 125

Aromatase inhibitor; Cycads; Enzyme inhibitor **47**, 113

Artemisia maritima; Hepatoprotective; Acetaminophen; Carbon tetrachloride; Serum glutamate oxaloacetate transaminase; Serum glutamate pyruvate transaminase **47**, 43

Ayurveda; Herbal drugs; Cytostatic activity; Cytotoxicity; *Calotropis procera*; *Semecarpus anacardium* **47**, 75

Bear gall bladder; Pig gall bladder; Chinese medicine; Conservation **47**, 27

Betulinic acid; *Vochysia divergens*; Vochysiaceae; Antibacterial activity; Sericic acid; β-Sitosterol **47**, 97

Brine shrimp; Ese'ejas; Amazonia; Wheat rootlet growth inhbition; DNA-binding activity **47**, 159

Calotropis procera; Ayurveda; Herbal drugs; Cytostatic activity; Cytotoxicity; *Semecarpus anacardium* **47**, 75

Carbon tetrachloride; *Artemisia maritima*; Hepatoprotective; Acetaminophen; Serum glutamate oxaloacetate transaminase; Serum glutamate pyruvate transaminase **47**, 43

Carbon tetrachloride; Hepatic damage; Serum and liver enzymes; Carrot extract; Hepatoprotection **47**, 69

Cardioactivity; *Eremophila alternifolia*; Traditional Aboriginal medicines; Langendorff heart preparation **47**, 91

Carrot extract; Carbon tetrachloride; Hepatic damage; Serum and liver enzymes; Hepatoprotection **47**, 69

Casimiroa edulis; Rat aorta; Vasodilation; Vascular endothelium; Histamine receptors; α-Adrenergic receptors **47**, 1

Cauterisation; Traditional healing; Oman; Arabia **47**, 125

Celastrus paniculatus; Two compartment passive avoidance; Norepinephrine; Dopamine; Serotonin **47**, 101

Cercariae; *Millettia thonningii*; *Schistosoma mansoni*; Topical anti-penetrant; Isoflavonoids; Alpinum-isoflavone; Robustic acid **47**, 49

Chinese medicine; Bear gall bladder; Pig gall bladder; Conservation **47**, 27

0378-8741/95/$09.50 © 1995 Elsevier Science Ireland Ltd. All rights reserved

Combretaceae; *Pteleopsis suberosa*; Gastric ulcers; Triterpenoid saponins **47**, 55

Complement inhibition; Propolis; Water-soluble derivative **47**, 135

Conservation; Bear gall bladder; Pig gall bladder; Chinese medicine **47**, 27

Cycads; Aromatase inhibitor; Enzyme inhibitor **47**, 113

Cytostatic activity; Ayurveda; Herbal drugs; Cytotoxicity; *Calotropis procera*; *Semecarpus anacardium* **47**, 75

Cytotoxicity; Ayurveda; Herbal drugs; Cytostatic activity; *Calotropis procera*; *Semecarpus anacardium* **47**, 75

Diuresis; *Stevia rebaudiana*; Glomerular filtration rate; Fractional sodium excretion **47**, 129

DNA-binding activity; Ese'ejas; Amazonia; Brine shrimp; Wheat rootlet growth inhbition **47**, 159

Dopamine; *Celastrus paniculatus*; Two compartment passive avoidance; Norepinephrine; Serotonin **47**, 101

Enzyme inhibitor; Cycads; Aromatase inhibitor **47**, 113

Eremophila alternifolia; Traditional Aboriginal medicines; Cardioactivity; Langendorff heart preparation **47**, 91

Ese'ejas; Amazonia; Brine shrimp; Wheat rootlet growth inhbition; DNA-binding activity **47**, 159

Fractional sodium excretion; *Stevia rebaudiana*; Glomerular filtration rate; Diuresis **47**, 129

Free radical scavenger activity; *Ganoderma lucidum*; *Ganoderma formosanum*; *Ganoderma neo-japonicum*; Antihepatotoxic activity **47**, 33

Ganoderma formosanum; *Ganoderma lucidum*; *Ganoderma neo-japonicum*; Antihepatotoxic activity; Free radical scavenger activity **47**, 33

Ganoderma lucidum; *Ganoderma formosanum*; *Ganoderma neo-japonicum*; Antihepatotoxic activity; Free radical scavenger activity **47**, 33

Ganoderma neo-japonicum; *Ganoderma lucidum*; *Ganoderma formosanum*; Antihepatotoxic activity; Free radical scavenger activity **47**, 33

Gastric ulcers; *Pteleopsis suberosa*; Combretaceae; Triterpenoid saponins **47**, 55

Glomerular filtration rate; *Stevia rebaudiana*; Diuresis; Fractional sodium excretion **47**, 129

Gymnema sylvestre; *Ziziphus jujuba*; *Hovenia dulcis*; Triterpenoid glycosides; Sweetness inhibitors **47**, 9

Helichrysum aureonitens; Antibacterial; Medicinal **47**, 109

Hepatic damage: Carbon tetrachloride; Serum and liver enzymes; Carrot extract; Hepatoprotection **47**, 69

Hepatoprotection; Carbon tetrachloride; Hepatic damage; Serum and liver enzymes; Carrot extract **47**, 69

Hepatoprotective; *Artemisia maritima*; Acetaminophen; Carbon tetrachloride; Serum glutamate oxaloacetate transaminase; Serum glutamate pyruvate transaminase **47**, 43

Herbal drugs; Ayurveda; Cytostatic activity; Cytotoxicity; *Calotropis procera*; *Semecarpus anacardium* **47**, 75

Hippocratea excelsa; Anti-inflammatory activity **47**, 85

Histamine receptors; *Casimiroa edulis*; Rat aorta; Vasodilation; Vascular endothelium; α-Adrenergic receptors **47**, 1

Hovenia dulcis; *Gymnema sylvestre*; *Ziziphus jujuba*; Triterpenoid glycosides; Sweetness inhibitors **47**, 9

Isoflavonoids; *Millettia thonningii*; *Schistosoma mansoni*; Cercariae; Topical anti-penetrant; Alpinum-isoflavone; Robustic acid **47**, 49

Jatropha curcas; Anti-fertility agents; Medicinal plants; Abortifacient agents **47**, 117

Karnataka; Medical ethnobotany; Siddis; Western Ghats **47**, 149

Langendorff heart preparation; *Eremophila alternifolia*; Traditional Aboriginal medicines; Cardioactivity **47**, 91

Lipid peroxidation; Turmeric antioxidant protein; Thiols **47**, 59

Medical ethnobotany; Siddis; Karnataka; Western Ghats **47**, 149

Medicinal; *Helichrysum aureonitens*; Antibacterial **47**, 109

Medicinal plants; *Jatropha curcas*; Anti-fertility agents; Abortifacient agents **47**, 117

Millettia thonningii; *Schistosoma mansoni*; Cercariae; Topical anti-penetrant; Isoflavonoids; Alpinum-isoflavone; Robustic acid **47**, 49

Norepinephrine; *Celastrus paniculatus*; Two compartment passive avoidance; Dopamine; Serotonin **47**, 101

Oman; Traditional healing; Cauterisation; Arabia **47**, 125

Paw oedema; Water-soluble derivative; Alternative pathway activation **47**, 145

Pig gall bladder; Bear gall bladder; Chinese medicine; Conservation **47**, 27

Propolis; Complement inhibition; Water-soluble derivative **47**, 135

Pteleopsis suberosa; Combretaceae; Gastric ulcers; Triterpenoid saponins **47**, 55

Rat aorta; *Casimiroa edulis*; Vasodilation; Vascular endothelium; Histamine receptors; α-Adrenergic receptors **47**, 1

Robustic acid; *Millettia thonningii*; *Schistosoma mansoni*; Cercariae; Topical anti-penetrant; Isoflavonoids; Alpinum-isoflavone **47**, 49

Schistosoma mansoni; *Millettia thonningii*; Cercariae; Topical anti-penetrant; Isoflavonoids; Alpinum-isoflavone; Robustic acid **47**, 49

Semecarpus anacardium; Ayurveda; Herbal drugs; Cytostatic activity; Cytotoxicity; *Calotropis procera* **47**, 75

Sericic acid; *Vochysia divergens*; Vochysiaceae; Antibacterial activity; Betulinic acid; β-Sitosterol **47**, 97

Serotonin; *Celastrus paniculatus*; Two compartment passive avoidance; Norepinephrine; Dopamine **47**, 101

Serum and liver enzymes; Carbon tetrachloride; Hepatic damage; Carrot extract; Hepatoprotection **47**, 69

Serum glutamate oxaloacetate transaminase; *Artemisia maritima*; Hepatoprotective; Acetaminophen; Carbon tetrachloride; Serum glutamate pyruvate transaminase **47**, 43

Serum glutamate pyruvate transaminase; *Artemisia maritima*; Hepatoprotective; Acetaminophen; Carbon tetrachloride; Serum glutamate oxaloacetate transaminase **47**, 43

Siddis; Medical ethnobotany; Karnataka; Western Ghats **47**, 149

β-Sitosterol; *Vochysia divergens*; Vochysiaceae; Antibacterial activity; Sericic acid; Betulinic acid **47**, 97

Stevia rebaudiana; Glomerular filtration rate; Diuresis; Fractional sodium excretion **47**, 129

Sweetness inhibitors; *Gymnema sylvestre*; *Ziziphus jujuba*; *Hovenia dulcis*; Triterpenoid glycosides **47**, 9

Thiols; Turmeric antioxidant protein; Lipid peroxidation **47**, 59

Topical anti-penetrant; *Millettia thonningii*; *Schistosoma mansoni*; Cercariae; Isoflavonoids; Alpinum-isoflavone; Robustic acid **47**, 49

Traditional Aboriginal medicines; *Eremophila alternifolia*; Cardioactivity; Langendorff heart preparation **47**, 91

Traditional healing; Cauterisation; Oman; Arabia **47**, 125

Triterpenoid glycosides; *Gymnema sylvestre*; *Ziziphus jujuba*; *Hovenia dulcis*; Sweetness inhibitors **47**, 9

Triterpenoid saponins; *Pteleopsis suberosa*; Combretaceae; Gastric ulcers **47**, 55

Turmeric antioxidant protein; Lipid peroxidation; Thiols **47**, 59

Two compartment passive avoidance; *Celastrus paniculatus*; Norepinephrine; Dopamine; Serotonin **47**, 101

Vascular endothelium; *Casimiroa edulis*; Rat aorta; Vasodilation; Histamine receptors; α-Adrenergic receptors **47**, 1

Vasodilation; *Casimiroa edulis*; Rat aorta; Vascular endothelium; Histamine receptors; α-Adrenergic receptors **47**, 1

Vochysia divergens; Vochysiaceae; Antibacterial activity; Sericic acid; Betulinic acid; β-Sitosterol **47**, 97

Vochysiaceae; *Vochysia divergens*; Antibacterial activity; Sericic acid; Betulinic acid; β-Sitosterol **47**, 97

Water-soluble derivative; Alternative pathway activation; Paw oedema **47**, 145

Water-soluble derivative; Propolis; Complement inhibition **47**, 135

Western Ghats; Medical ethnobotany; Siddis; Karnataka **47**, 149

Wheat rootlet growth inhibition; Ese'ejas; Amazonia; Brine shrimp; DNA-binding activity **47**, 159

Ziziphus jujuba; *Gymnema sylvestre*; *Hovenia dulcis*; Triterpenoid glycosides; Sweetness inhibitors **47**, 9
